

# Assistant Coordinator

It has been a pleasure serving as your Assistant Coordinator this past year. It is truly a blessing to be part of the work God is doing in the lives of women across our state.

**A couple of highlights:** Online registration! We were able to offer online registration for the first time this spring. As with anything new, it takes a little time to work out all the kinks, but I feel this has been a huge benefit for our CWC group. Facebook Live videos are also something new we have been trying. These are a great way to get information out to our ladies. If you haven't yet, head over to our Facebook group & join so you don't miss any of the exciting things we share there.

As always, we are trying to keep contact information up to date. We are only effective at communicating if we have your correct information so please look over the email & mailing lists to be sure your information is correct. If you are not on the list, please add your information. We would like to help our local group leaders by putting important information right into your hands.

I would like to thank you for your patience as we try to resolve our website issues. We are currently in the process of changing host companies to insure our website is up and running effectively.

I look forward to what God has in store for the MO CWC ladies in the coming months & years.

God Bless,

Racheal Carter  
MO CWC Assistant Coordinator
