

Scholarship Committee

We are thrilled that we can offer a CWC Becky Upchurch Scholarship each year to one of our deserving young people who is attending one of our colleges affiliated with the Church of God. This year's recipient for the scholarship year is currently a sophomore at Anderson University, Cyera Young. Cyera attended Moberly First Church of God until moving to Anderson.

Thanks to the generosity of the Pittman Road Church of God, we also offer another scholarship, The Elva Wood Scholarship. Students applying from the Kansas City area will be considered first for this scholarship. The applicant must also attend one of our colleges affiliated with the Church of God, and be going into ministry. Alyson (Aly) Neace is our recipient for this scholarship this year. She is a student at Mid-America University and feels God's calling into youth ministry. Aly attended Lakewood Way Community Church until moving to Oklahoma City.

We want to encourage you to encourage the students in your church that will be attending one of our colleges to apply.

The scholarship committee this year consisted of Beverly Borgers, JJ Snelson and Vicki Eshleman. The purpose of this committee is to accept, review applications and choose a recipient. Applications are available on the Missouri Church of God website.

Vicki Eshleman
