

Spiritual Development Connector

I have been serving as the Spiritual Development Connector for our team for a year now and it has been Awesome! God has really showed me thru this year just how important my prayer life as well as my journey of faith should be! I have gotten to meet so many women thru the Conventions and the Retreat. I have been praying diligently for our Convention and how I hope each one of us will come with an open mind and open heart for what God wants us to receive.

I am looking forward to the Prayer Retreat this coming year as we really focus on:

Desire instead of Deprivation — Mark 1:11

Growth instead of Withering — Luke 8:13-14

Everlasting instead of Transient — Isaiah 26:4

I will be looking for each of you at the Retreat!

Blessings and Love to each of you
